- Students are required to register per academic year. Fees are quoted per academic year and NOT for the full qualification.
- All students are required to consult the academic information section in the student handbook to ensure that they meet the admission requirements for their selected qualification. Note that some students may be required to register and pay for additional modules or Short Learning Programmes (SLPs). SLPs may be added to your registration automatically by your campus based on relevant admission requirements. (In certain cases, Higher Certificates indicated above provide for an articulation route into Bachelors degrees of other Schools. Please consult your Student Advisor for more information).
- Payment of either the full settlement or the 1st instalment for the 10-month option (less the R2 500 Pre-registration fee made upon acceptance of the offer), must be paid at the point of registration via PayU when completing your online registration.
- Until payment is made, you will not be able to submit your registration.
- Your next payment is due the earlier of the month following your registration or March, and will be processed based on the debit order date selected.

- Please note that should the payment plan selected not be adhered to, we reserve the right to adjust this to the 10-month option.
- The 10-month payment plan option is not available for students registering for modules in one semester only.
- Where students are the recipients of a loan or bursary (and have the required proof thereof), account payers are liable for any deficit between fees billed and payment received.
- Once you have completed your registration and payment has been made, your campus will finalise your registration. During this process you will receive the link to Wize Books to order your textbooks and on finalisation of your registration you will receive a confirmation of registration email. Timetables will be available one week prior to lectures commencing on the student intranet.
- International students at The IIE's Varsity College will be subject to a student levy of R5 000, payable upon registration and billed annually for every year of study.
