

# Choose South Africa

Choose The IIE's Varsity College

# Choose an Education by Design

In a world tailored around the individual, why isn't education designed around how different people think, dream and live?

Well, we believe it should be.

That's why we make sure a student's education is shaped around them; how they like to learn, what they are passionate about, what makes them tick, what makes them thrive. Because we understand that no two people are the same or learn the same.

We aim to create an experience that allows students to grow into their best, and a place where they can live, learn and play their way.

It's education by design.

# Study in South Africa

South Africa is a place of incredible natural beauty, first-world amenities, exciting cosmopolitan cities and warm welcomes; it's both affordable and accessible. The perfect study destination. It's also home to Varsity College – an educational brand of The Independent Institute of Education (The IIE), the most accredited provider of private higher education in South Africa.

**The IIE's Varsity College has developed a reputation for being at the forefront of private higher education in South Africa.**

Sandton, in the heart of Johannesburg, is a bustling city offering a vibrant social life. It is home to the biggest man-made forest in the world and our largest campus. A sprawling complex within secure grounds, boasting a thoughtfully designed student environment with ample parking, access to public transport and plenty of nearby accommodation options, all within a 40-minute drive of OR Tambo International Airport.

## Waterfall

Our Waterfall campus opened its doors in 2012, making it our newest campus. Looking more like Google Headquarters than a typical university, the atmosphere is relaxed yet lively with a thriving sports scene. Student accommodation is plentiful in the surrounding neighbourhoods of Waterfall and Midrand and around the corner you'll find the Mall of Africa, South Africa's largest mall – home to over 300 local and international brands.

## Pretoria

South Africa's capital, Pretoria, is well known as an academic city with an active student life. Our Pretoria campus is situated in an upmarket residential area. The campus also has its very own student accommodation complex. Nearby shopping and entertainment, as well as good access to transport and affordable accommodation, make this campus a great option for students from abroad.

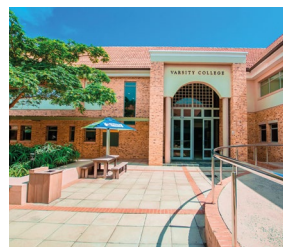

## Cape Town

Cape Town has been named the best destination in Africa and TripAdvisor's top destination. The Mother City is surrounded by mountains, oceans and winelands. Cape Town has a rich cultural heritage, great shopping, world-class restaurants and a lively night-life. Just 30 minutes from the city centre, our Cape Town campus is a vibrant, multi-cultured student environment which makes for an exciting neighbourhood that buzzes all year round.

## Nelson Mandela Bay

Nestled in the Nelson Mandela Bay area is the seaside city of Gqeberha, also known as 'the friendly city'. Our Nelson Mandela Bay campus lives up to that nickname, offering students a safe, secure and friendly environment in which to develop their knowledge and professional skills. It's an exciting and welcoming setting where students can advance academically and achieve an all-important work-life balance.

## Durban North

The city of Durban is a surfer's paradise with pristine beaches and warm water stretching to the north and south. Only two kilometres from Durban's Golden mile, our Durban North campus is a safe, modern space, set among sprawling sports fields where students can enjoy rugby, hockey and numerous other outdoor activities.

## Westville

Located just outside of Durban central, our Westville campus is situated among the green hills of the Westville suburbs. The campus is conveniently located near sports fields, recreational facilities, shopping malls, the city centre and Durban's famous golden beaches. The campus has a relaxed, laid-back atmosphere with a strong focus on academics.

## Pietermaritzburg

An hour from Durban, in the capital of KwaZulu-Natal, our Pietermaritzburg campus is located on the lush grounds of St. Charles' College. Historically significant buildings and lecture halls open directly onto beautifully manicured lawns, while state-of-the-art security and safety systems ensure the wellbeing of our students.
